

This chart has space to display the individual's name plus the birth and death years. An example is shown in the box below. Just replace the information with your own.

The conventional way to enter Paternal ancestors is to the left and Maternal ancestors to the right with the male of a partnership appearing in the box above the female.

You should thoroughly check that all information is correct as it will be used to complete your family tree chart.

The form is an hourglass-shaped family tree chart template. It consists of a central horizontal line representing a partnership, with three boxes for names. From each end of this line, a vertical line descends to a box for a child. This pattern repeats for six generations. The chart is symmetrical, with paternal ancestors on the left and maternal ancestors on the right. Each individual's box is intended to contain their name, birth year, and death year. The chart is designed for a 6-generation A3 size hourglass chart.
