

This chart has space to display the individual's name and birth and death years which you type into the appropriate box. An example is shown in the boxes below. Just replace the information with your own .

The conventional way to enter Paternal ancestors is to the left and Maternal ancestors to the right with the male of a partnership appearing in the box above the female.

After checking the information click on the "Submit" button to send the information to Maxbal Genealogy.

The chart is a 4-generation partners chart. It features a central horizontal line representing a partnership. Above this line are two boxes for the male and female partners. Below the line is a large, ornate box labeled "Our Children". To the left of the central line, there are four generations of boxes representing paternal ancestors, with the first generation being the male partner's parents and subsequent generations branching out. To the right of the central line, there are four generations of boxes representing maternal ancestors, with the first generation being the female partner's parents and subsequent generations branching out. Each box is intended for a name and birth and death years.
