The chart is a 5-generation partners chart. It features a central horizontal line representing a partnership, with a decorative frame below it. Above this line are two boxes for the names of the partners. From each partner box, a vertical line descends to a horizontal line representing their children. This pattern repeats for five generations. The chart is divided into two main sections: the left side for paternal ancestors and the right side for maternal ancestors. Each individual is represented by a rectangular box, with space provided for their name, birth date, and death date. The boxes are arranged in a hierarchical, branching structure, with the most recent generation at the top and the earliest at the bottom. The central decorative frame is a large rectangle with ornate, floral corner designs.
